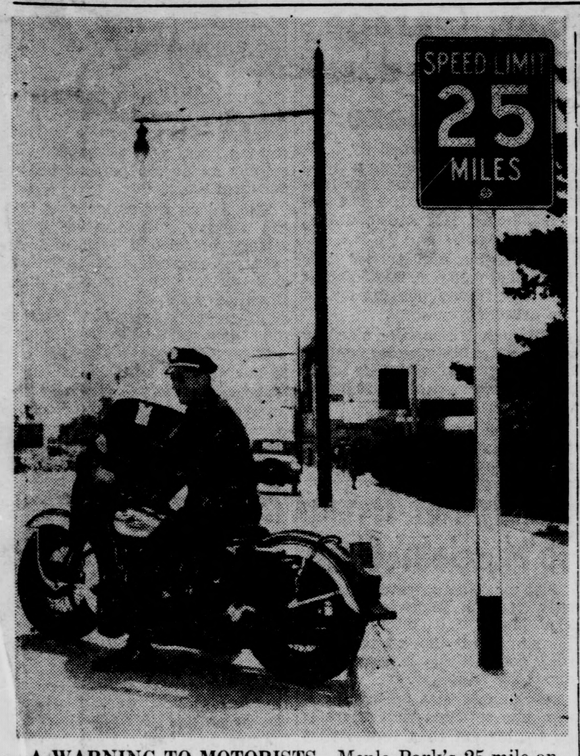
CALIFORNIA STATE LIBRARY



A WARNING TO MOTORISTS—Menlo Park's 25-mile-an-hour speed limit along El Camino Real went into effect this morning and Sgt. Joe Ferriera is on guard to watch for possible infractions of the new rule. Previously, the limit along the stretch within the city limits was 35 miles an hour.

Dibble Site Price Slash Seen in Bill

Price of the 28-acre Dibble Hospital Recreation Area, sought by the City of Menlo Park as a civic center, may be reduced as much as $60,000 under terms of a bill passed by Congress yesterday.

The bill allows cities and states to buy surplus federal lands for parks and recreational areas at half of fair value. Dibble is covered by the bill.

Mayor Charles P. Burgess of Menlo Park received a telegram from U. S. Senator Sheridan Downey this morning which said that the way has been cleared for Menlo Park to acquire the site at a "substantial reduction."

If the bill is signed by the President, it will reduce by approximately half the amount of bonds which will be sold if a $150,000 bond issue for purchase of the property is approved by voters on June 15. Approval of the legislation also ends several months of effort by Menlo Park officials to obtain a reduction in the $145,000 appraisal value set on the property by the San Francisco office of the War Assets Administration.

The city council, to exercise its priority on the property, called a bond election for June 15. Amount of bonds was set at $150,000 to cover cost of purchase and rehabilitation of the land property.

In the meantime, the council requested a new appraisal of the recreation area by the central office of WAA in Washington, D. C., on the grounds that since the buildings could be of no value to other purchasers, they should be appraised at their off-site value.

If the bond issue is passed, the council can sell only enough bonds to pay for the acquisition — probably around $85,000. Mayor Burgess has said that property valued at about $120,000 will be used for parks and recreation and will therefore be eligible for the 50 per cent discount.

The bill passed by Congress requires the city to use the property for parks and recreational purposes for a period of 20 years before clear, title is acquired. If the property is not used for recreation, the land reverts to the federal government.

San Carlos Civic Garden Club Installs Mrs. J. E. Rockwell as President

Wearing hats of real flowers or vegetables, members of the San Carlos Civic Garden Club held their installation of officers Friday.

Mrs. J. E. Rockwell asked the support of her fellow members when she took office as president for the coming year, with Mrs. J. Anthony McGee acting as chairman of the day and installing officer.

Officers installed to serve with Mrs. Rockwell were Mmes. F. G. E. Lange, A. J. Possnecke, W. W. Jacobs, Desmond Garrioch, Richard Evans, Michael P. McDermott and E. L. DeCurtoni. All incoming and retiring officers were presented with corsages.

Preceding the installation, plans were made for a picnic at Adobe Creek Lodge on Tuesday, June 8.

Retiring President Mrs. Edmund K. Baloun, was presented with a gold compact in appreciation of her year's work. Mrs. P. J. O'Meara thanked Mrs. Baloun and presented the gift.

Members attended the annual installation meeting in hats of original creation, made from vegetables and flowers. First prize for the day went to Mrs. F. G. E. Lange, for her "beautiful" hat of ivy and roses. "Clever" hat winner, was Mrs. Michael McDermott, in an upside down colander with three artichokes for top decor, and a green ribbon tied beneath the chin.

Mrs. L. B. West's daughter, Kathy, designed her prize-winning "comical" hat, which was an ice cream cup trimmed in green and red crepe paper, red streamer under the chin, and artistically arranged red "bottle brush" flowers riding atop the creation.

Hat prizes of correa plants were awarded the winners by plant exchange chairman for the year, Mrs. Walter Moltke.

The day's program, chairmaned by Mrs. J. A. McGee, and accompanied by Mrs. McDermott, was started by an opening number by Mrs. Richard Evans. She recited "Where Did You Get Those Hats?"

Mrs. J. S. Carter sang "Thank God for a Garden" in honor of the retiring officers at the installation ceremonies.

Mrs. Evans sang "All for You," as a tribute to the new officers.

The exhibit for the month was done by Mrs. Claire Annis, who arranged a sailor hat with white stock and pink roses, in keeping with the theme of the day.

Guests for the day were Mrs. Karl Burchard, San Mateo; Mrs. Don Wichland, Mrs. Edmund Slingsly, Mrs. A. J. McCarthy, Mrs. C. M. Hammond, Mrs. James A. Warren, Mrs. S. U. Smith, Mrs. F. J. Mitchell, Mrs. L. C. Langin, Mrs. Don C. Elliott, and Mrs. William Reitz, all of San Carlos; Mrs. E. E. Pierce of San Francisco; Mrs. R. A. Haletz, of Menlo Park; Mrs. O. C. Brill of Los Altos; Miss Barbara Solis and Mrs. A. B. Husted of Los Angeles.

Tea was served by refreshment chairman, Mrs. F. G. Fink. Hostess chairman was Mrs. O. P. Walker, assisted by Mmes. D. M. Green, W. F. Klose, G. E. Husted, W. Landringham, and Mrs. A. B. Husted.

Mrs. Klose and Mrs. George Lagomarsino poured.

SC Council, School Board Agree on Leasing City Lots

The San Carlos City Council last night voted to enter into an agreement with the San Carlos Elementary School Board over the leasing of several city owned lots adjoining the Arundel School site.

The lots, part of the city's proposed Arguello Park area, under the agreement would be leased to the school for a dollar a year for 30 years with an option for the school to purchase the lots for $25 a lot with the approval of San Carlos voters.

After being graded, the lots would be used as part of the school recreation area.

Last night the council also:

Voted to install pedestrian signals at the intersection of San Carlos Ave. and Laurel St. at a cost of $220. Mayor Edward Burton labeled the present traffic signal as "unsatisfactory" and suggested that a traffic expert be called in before any further signal is installed.

Approved a recreation commission decision to grant the soft drink concession at the city recreation center to the San Carlos American Legion Post. Funds raised through the concession are to be used to support the legion's baseball team, Boy Scout troop and veterans' hospital funds.

Started annexation proceedings on part of the San Carlos Hills area, near Hidden Valley, on the petition of William Klose, one of the councilmen and owner of property in the area to be annexed. Date of public hearing was set for June 23.

Candidates Talk At SC Forum

County Board of Supervisor candidates seeking election June 1, will give five-minute resumes of their qualifications at the Thursday meeting of the San Carlos Community Forum at the Central School Auditorium.

Sponsored by the Parent Teacher Assn., the forum will include a question period directed by Moderator J. Emmett Mahoney.

Aspirants for supervisor posts appearing at the Forum session will be: Incumbent Thomas Hickey of South San Francisco, Henry W. Edmonds of Redwood City, and Alvin S. Hatch of Half Moon Bay. Others include Roy P. Womack of San Bruno, Arthur Swift of Redwood City and James W. Healey of Moss Beach.

Ask New Trial In Huggans Case

A motion for a new trial as the result of a $91,000 verdict rendered in favor of 13-year-old Earl (Tommy) Huggans was submitted to Superior Judge Aylett R. Cotton late Monday.

The motion was made by attorneys for Southern Pacific Co. and Marshall Alexander, San Jose, train engineer.

The Southern Pacific attorneys claim that the $91,000 granted Tommy for the loss of his feet in a train accident was excessive. They quoted other court cases of a similar nature in which the judgments had been for about half that amount.

The judgment had been granted by a jury, and the SP attorneys also claimed that the jury had been influenced by sympathy for the boy.

Crafton Elected To Optimist Post

Fred Crafton of Redwood City last week was elected lieutenant governor for the 20th District, Optimists International, representing the fourth area, at the annual district convention in Salt Lake City, last weekend.

Crafton was the first president of the Redwood City Chapter and was one of three members of the Redwood City club attending the convention. The other delegates were B. B. Berman and John Laznibat.

The dog training program for children started recently by the Redwood City Optimists was explained at the convention by B. B. Berman, who originated the idea, Crafton said, and the program was adopted unanimously by the delegates as a program for clubs in the district to follow.

The training program is to be taken up at the national Optimist Club convention in San Antonio, Crafton said.

2 New School Trustees For South SM County

Two new school trustees and an incumbent will begin terms on July 1 on three South San Mateo County Elementary School Boards.

The three, George Gayer of Ravenswood, Dr. Lawrence Cook of Las Lomitas and Ben Holland of Menlo Park, were elected Friday. All were unopposed.

Gayer was the incumbent. Dr. Cook replaces Dr. Percy Davidson, who is retiring at the end of the school year after 36 years on the Las Lomitas board. Ben Holland replaces John W. Morey, who is retiring from the Menlo Park board.

SC Firm to Handle 650-Home Section

Ransom and Moore, San Carlos real estate firm, announced today that it had been appointed exclusive agents for a 650 home development in San Jose.

The $6,000,000 project will be located in the Willow Glen section of San Jose. The Coastwise Development Co. of Palo Alto are the developers and builders.

Quartet Entertains At Vets Hospital

Patients at the U. S. Veterans Administration Hospital in North Palo Alto were entertained last week by the Barbershoppers, a quartet from the Barbershoppers' Restaurant, 3901 El Camino Real.

Mothers' Club Hears Mrs. Frank Myers

A program on "Flower Arrangements" was presented by Mrs. Frank P. Myer of Marin County at the recent meeting of the Rainbow-De Molay Mothers Club. The meeting was held at the home of Mrs. H. Glass on Lowell St.

Mrs. L. A. Behrens, Mrs. H. Helm and Mrs. H. E. Merrill were introduced as new members.

It was voted to dispense with the June meeting of the club and to resume meetings again in July, when Mrs. A. A. Childs will act as hospitality chairman in the absence of Mrs. R. D. Gray.

Mrs. Selma Campbell To Attend Convention

Mrs. Selma Campbell, president, will represent the Peninsula Chapter of the American Gold Star Mothers, Inc. at the national convention in Atlantic City, N. J., June 3 to 5.

President Truman Plans Short Stop In Burlingame During Western Tour

President Harry S. Truman, third chief executive to visit Burlingame in the 20th century, will make a brief stop in that city on the night of June 13 en route from San Francisco to Los Angeles.

With announcement his train will make an "operational" stop there at 10:30 p.m. on that date, the Chamber of Commerce immediately began plans to welcome the President, who is expected to make a brief platform appearance.

The itinerary for the President's campaign swing through the West was announced today in Washington. It includes five major speeches and a number of platform appearances.

Last president to visit Burlingame was Herbert Hoover, for whom a reception along El Camino Real was held in 1928. President Theodore Roosevelt was a visitor at the Burlingame Country Club in 1903.

Luther Carr, president of the Chamber of Commerce, said today the chamber will prepare a huge gold key to the city for presentation to the President.

He hopes also to arrange for the Burlingame High School Band to play at the Southern Pacific Station when the President's train arrives.

Mayor U. S. Simons Jr. will welcome the President and his party to Burlingame.

SEQUOIA GETS BUS

A 73-passenger bus was purchased recently by Sequoia High School to relieve present crowded conditions, Supt. A. C. Argo said Tuesday. It is identical in make and style with the other school buses. The route that the bus will cover has not yet been decided.

Hungry Burglars Raid Colma Cafe

Burglars who, while plying their occupation took time out for a banquet, Monday carried off about 15 cases of expensive Scotch whisky from the Southern, the proprietor, Murray Fay, reported to the sheriff's office today.

Fay, who lives at 724 Elm St., San Carlos, said he believed the thieves were the same ones who a year ago stole $761 from the safe of the Southern, a restaurant at El Camino Real and Junipero Serro Blvd., Colma.

The burglary was discovered Tuesday when Fay went to work. He said the full extent of the loss had not been ascertained, since the sheriff's office told him not to touch anything until the officers could scour the place for clues.

Entry was made into the restaurant by breaking in a rear window. Several bottles of liquor, partly emptied, were left about by the burglars, who also raided the kitchen for food.

Fay estimated that the thieves must have sat around for a couple of hours, eating and drinking.

Apart from the liquor, Fay thought nothing had been taken. He said the restaurant's safe appeared intact.

The burglary was committed on the only night of the week when there is no watchman on the premises, leading Fay to believe that possibly a restaurant employe may be involved.

On Apr. 21, 1947, burglars raided the restaurant, tied up the night watchman and opened the safe. Ot that time they also took eight cases of the same brand of Scotch whisky.

S. San Mateo Group Fights TB Proposal

South San Mateo residents today protested against a proposal to build a new tuberculosis sanatorium adjacent to Community Hospital.

The protest was filed with the County Board of Supervisors by the Laurel Community Club, a neighborhood group representing persons living in the vicinity of the disputed site.

Mrs. S. Elizabeth Hodges, secretary of the group, wrote the supervisors:

"The consensus was that since this vicinity is fast becoming a well developed residenial area, it would not be suitable for a tuberculosis sanatorium. Our feeling is that the Canyon Sanatorium site would offer the ideal environment."

The county is planning to erect a 100-bed sanatorium if a $1,500,000 bond issue is approved by the voters at the June 1 election. The board of supervisors, after a series of protests against both sites last year, decided to put the selection of the site up to the voters. The site selection will also be on the June 1 ballot, as propositions 2 and 3.

The state health director, who a year ago evaluated the advantages of both sites, stated that neighborhood protests against the Community Hospital site could be expected.

The San Mateo County Tuberculosis Assn. has approved the Community Hospital site, and a committee promoting that site and the bond issue has been carrying out a countywide campaign during the past two weeks.

Pre-Registration Set for June 2

Wednesday, June 2 will be pre-registration day for children who plan to attend kindergarten starting next Fall and for first graders who did not attend kindergarten, according to Supt. Andrew Spinas of the Redwood City elementary schools.

Spinas said that all children who have reached the age of 4 as of Mar. 1 are eligible to register for kindergarten, and children who were 5 on Mar. 1 are eligible to start in the first grade. Evidence establishing age must be presented at the time of registration, Spinas said.

Registrations will be taken all day, he declared and pointed out that in most cases, children are to attend the school nearest to their home.

Q — Where was the highest world temperature recorded?

A—At Azizia, Libya, North Africa, Sept. 13, 1922, with 136 degrees F.

MIDGET DOG — Mrs. M. O. Watson, 1764 Stockbridge Ave., Redwood City, reports that the 6-week-old Pekingese puppy shown above is the smallest of its age she has ever heard of. The puppy weighs only six ounces at 6 weeks of age. It's litter brothers and sisters weigh over two pounds and are about four times as large. The mother of the midget puppy weighs eight pounds. Mrs. Watson says that the puppy's eyes opened on schedule and that the little dog is able to walk, although feebly. She says she has put it on a special diet and has separated it from the rest of the litter so that it won't be hurt.

Dr. Chope Urges Passage Of TB Proposal, SM Site

Both urgent need for a new San Mateo County tuberculosis hospital and the location of such a new hospital at the South San Mateo site of the Community Hospital were declared today by Dr. Harold D. Chope, the county's new director of health and welfare.

Dr. Chope recommended "Yes" votes on county Propositions No. 1 and No. 3, which would effectuate this program, after devoting careful study to needs of the county.

"This, of course," said Dr. Chope, "is the first and biggest proposal to come before me after taking over this new job. I have attempted to evaluate the need for this new hospital, and the proper location for it, most carefully.

"My conclusions are that both the building of this hospital and its construction at the Community Hospital site are necessary. My previous experience in the public health field leads me to believe that a noteworthy, long-range economy can be effected by these plans.

"Administrative and operational expenses for the two hospitals can be reduced by joint and cooperative use of their facilities. In time, the tuberculosis hospital might be transferred to general usage and obviate the further hospital building expense that the increase in population appears sure to bring within the next 10 years.

"At present, however, there is a pressing need for more beds for tuberculosis patients. The present practice of renting these extra beds in private sanitoria is forcing a waste of county money. This would not only be remedied by the building of a new hospital, but it would also allow us to take care of patients who now need hospitalization and for whom we have been unable to find beds.

"I sincerely believe the building of the new hospital would be the wisest and most economical move the county could make in this direction."

County Salary Setup Approved by Board; 67 Positions Added

The San Mateo County Board of Supervisors has approved the 1948-49 salary ordinance, which sets up a total of 756 jobs for operation of the county government.

The number of positions approved exceeds by 67 the amount set up a year ago.

In addition to the positions listed in the ordinance, the county during the course of the coming fiscal year probably will employ about 100 persons on a per diem basis.

The salary ordinance sets up the number, classification and salaries of jobs in each of the county's departments. It includes civil service, elective and unclassified posts, but not such per diem workers as employed in the road department, some library workers and recorder's copyists.

For salaries and wages, the supervisors have tentatively approved $2,706,679.50 for the coming fiscal year, compared to $2,221,717 last year. Final approval is not due until after public hearings on the combined budget. The hearings are to start about June 10.

In approving the ordinance, the board also set up a $50,000 reserve, which upon the recommendation of the civil service commission may be used to cover personnel, classification or salary adjustments.

The civil service commission already has notified the board that no general wage increase was in prospect for the start of the new fiscal year. Rises in the cost of living, however, later may necessitate adjustments.

The 67 new positions were fairly evenly distributed among the county's governmental departments. The largest department, health and welfare, was allocated a total of 326 positions, an increase of 13 from last year. These included the new and unfilled posts of superintendent of field services, public health educator and public health engineer.

One of the smaller departments which recorded a 33 per cent increase in the size of its staff is the probation department. Including the juvenile home personnel, provision was made for 29 positions, an increase of 10. The need for additional personnel at the new juvenile home west of Belmont was given as the reason for the increase.

A delegation of Millbrae councilmen was present at the board's special meeting today, and Mayor William Leutenegger told the board that elective county officials should be given a pay boost. He also proposed that the board be put on a full-time basis.

Chmn. Alvin S. Hatch pointed out that the board's salaries, now $300 for each member, are set by the legislature. No changes may be made in the salaries of elective officials, he said, during their terms of office.

The number of positions allowed for each department:

Agricultural commission 15; assessor 38; building inspector 14; child guidance commission 4; civil service commission 7; controller 15; coroner 2; county clerk 16 (plus 7 for election registration); county executive 16 (including courthouse and grounds crew);

District attorney 13; county engineer 35; fire warden 29; jury commissioner 1; justice courts 10; library 13; planning commission 8; probation 17 (plus 12 for juvenile home); purchasing agent 6;

Health and welfare administration 6; social service 51; relief home 20; Canyon Sanatorium 39; health division 35; Community Hospital 175. Total Health and Welfare Dept. 326;

Recorder 25; recreation 27; sheriff 44; superintendent of schools 11; superior courts 4; supervisors 5; tax collector 21; traffic safety 1; treasurer 6; weights and measures 3; veterans service office 4.

Car, Garage Destroyed In RC Blaze

A 1941 Dodge owned by L. F. Comacho was declared a total loss today by Redwood City firemen after a garage fire at Comacho's house, 1837 Redwood Ave., Sunday night.

The alarm was turned into firemen at 9:28 p.m. by neighbors who saw flames pouring out of the detached building.

Although firemen quickly brought the blaze under control, the car, approximately $200 worth of tools and the $350 building were all lost.

Chief Joe Lodi said today that firemen had not determined the cause of the fire.

County Not Trying To 'Muscle In': Claim

Slot machine operators apparently have a ready market in San Mateo County without jumping county lines, a report by Dist. Atty. Gilbert D. Ferrell indicated Wednesday.

Ferrell said that an investigation has revealed that there is no foundation to a report that San Mateo County operators are trying to "muscle in" on the Santa Cruz county rackets.

The report was made several weeks ago by Santa Cruz slot machine operators.

Chief Dep. Sheriff Walter Moore and Frank Marlowe, district attorney's criminal investigator, have talked with Santa Cruz Dist. Atty. June D. Borina and Police Chief Al Huntsman, Ferrell said.

According to Huntsman, nothing has come to light in the Santa Cruz investigation indicating a connection with persons or conditions in San Mateo County, Ferrell said.

Huntsman also said that he has no evidence that San Mateo County operators have tried to place slot machines into his bailiwick.

Absentee Voting Urged in County

Registered voters who expect to be away from home or otherwise unable to get to their polling places on June 1 were urged today by County Clerk W. H. Augustus to vote absentee ballots now.

Written applications for absentee ballots must be filed in the county clerk's office not later than 5 p.m. Thursday. The application must be signed by the voter and must give the reason he will be unable to attend at the polls.

Augustus said that if the application is sent in by mail, the ballot will be mailed out promptly. It must be voted on or before June 1, acknowledged before a notary public or some official with a seal and returned to the county clerk not later than June 7.

The voter may call at the election registration office in person to vote at any time not later than Thursday, Augustus said.

YMCA Seeks $322 Rebate

The Young Men's Christian Assn. of San Francisco today filed suit in superior court here for the refund of $322.50 it has paid in taxes to San Mateo County and to Redwood City.

The taxes were paid on Jan. 3, under protest, for 905 acres of property the organization owns in the county and city.

Refund was asked on the grounds that the YMCA is a non-profit organization operated for religious and charitable purposes.

Q. What is a "dead heat?"

A. It is a race in which two or more contestants finish at precisely the same time.

News of Commuters

Nothing like writing a column after a three-day outing.

Last Thursday night the regular monthly meeting of the Commuters Club drew a good crowd who enjoyed an interesting talk given by Bert Morgan. Election of officers for the coming year was also on the order of business. George Raubinger as president will direct the destinies of the club for the coming year with the able assistance of Roy Fredlund as vice president.

Friday night we were among a couple of hundred others who delayed our dinner to vote in the school bond election and from our experience in waiting in line to vote in excess of an hour am surprised that there were so many patient people who stuck around to vote. The antique method of a card index system with one person in each polling place delegated to handle same should be changed before another election is held.

Elmer Ross still studying the under and overpass system will be able to give a long report before too many more moons.

Walter Harden enjoying his semi-annual trip to Tulsa. Jack Robb on his way to New York state.

Ed Horgan on the sick list.

And now the news all wives of members of the House Committee are awaiting:

Friday night the advance guard motored to the Raubinger-Martin Lodge at Camp Evers and by the light of a wonderful full moon, made beds enough to take care of the 16 boys who were table to take advantage of the occasion. Saturday the balance of the gang arrived and the festivities started in earnest. Stan Perkins talked such a good game of golf that George Raubinger and a dark horse decided to find out just how good Stan was. George won. Ray Cereghino, by the way, is a very good caddy. The horseshoe pitching title is still disputed by such experts as Paul Allen, Duke Martin, Ed Boyd, Roy Fredlund, Clarence Brizee and the other 16.

Kist was the beverage of the hour together with delicious spring water from the mountains. Norm Meyer the "Wandering Troubadour," accompanied by Cecil Campbell, Mel Brockway and a fiddle player furnished the music, while a trio composed of Walt Stephenson, Jim Smith and "Kim" Kimberly provided the vocal. Games such as tiddly-winks and mah jong provided the entertainment when the boys weren't eating delicious food. Anyway a good time was had by all and any one of the gang who stayed up after 6 o'clock Sunday night did same became he was forced into it.

SWING BRAKEMAN
Jack Welch.

Assemblyman Has Tideland Proposal

A bill authorizing creation of Peninsula industrial districts to help provide land, work and payrolls in the San Francisco Bay Area district is being prepared by Assemblyman Thomas A. Maloney of the 20th Dist., speaker pro tem of the lower house.

One of the plans is for reclaiming of 25,000 acres of Peninsula tidelands on the bay between San Francisco and San Mateo.

Maloney explained that the bill he proposes will follow AB 2718 introduced at the 1947 session. He said it would permit the organization, incorporation and government of Peninsula industrial districts, authorize such districts to incur bonded debt to buy land and construct facilities, to levy and collect taxes and will grant certain state lands to such districts.

Boy Scouts Plan Cavalcade Show Slated for June 5 in San Mateo

A meeting of the executive board of the San Mateo County Area Boy Scout Council will be held on Friday in Brewer Hall of St. Paul's Church, Burlingame, at 8 p.m.

★ ★ ★

At a meeting of the Cavalcade Planning Committee held in the Boy Scout office last Friday night, final plans were made for the Scout Cavalcade which will be held on Saturday evening, June 5 in the San Mateo ball park.

All Scouts, Cubs and Senior units are to assemble at 7 p.m. to form for the parade and opening ceremonies. A band concert by the Boy Scout Band will be given from 7 to 7:30. From 7:30 to 9:30 the show will be a fast-moving panorama of Scouting skills; the Cub Circus will be presented again by boys aged 9 to 12, a pageant of the growth of Scouting in the county during the past 32 years will be presented, and in addition to Ace and Eagle awards, all Scouters and Cubbers will be recognized.

Chmn. John F. Linden, in reporting on the awards to be made to the Cub Pack and Scout Troop having the greatest adult guest attendance, reported on prizes which are: For Scout units, one week free at Camp Pescadero for any one Scout selected by the winning unit; for Cubs, a Scout supply merchandise order for the use of the winning pack.

Others present at Friday's meeting were: Cavalcade Director F. E. Emerson, Dave Hutchison, Gordon Whipple, Jerry Gruman, Milt Gooding, John Powers, Glen Brockway, W. C. Van Bebber, Dave Barnett, Harold Perry, Ian Campbell, Les Curtis, Charles Howard, Arthur Rubio, Arley Tripp, Carl Harris, Fred Eilerman, Chet Wilson, Dave Burton, Sam Karns and Earl F. Schmidt.

★ ★ ★

Thirty members attended last Monday's meeting of Troop 153, San Carlos, when participation in the events of the Cavalcade was discussed. Propositions were made to improve troop activities.

Fred Strange has recently achieved first class rank, Erle Barnett has earned the First Aid Merit Badge and Earl Garrett the Swimming Merit Badge.

Scoutmaster Less Mundell and a large number of troop members attended the Camp-O-Rette held recently.

★ ★ ★

Scribe Kent Holmes of Troop 154, San Carlos, reports that 23 attended last week's meeting, when Scoutmaster Golden K. Jones and the boys discussed the Camp-O-Rette which they attended and the Scout Cavalcade in which they will participate.

Star Scout Breck Greene has earned the First Aid Merit Badge and Star Scout Kent Holmes has also qualified for the same badge.

The Alberts Kellums Give Dinner Party

Mr. and Mrs. Albert Kellum held a farewell dinner party last week at their home on Albion Wy. in Woodside in honor of Mr. Kellum's niece, Mrs. M. D. Aulgar of Detroit, who has been visiting in California.

More than 50 friends and relatives attended the dinner.

BACK HOME AGAIN — As the California Merchant Marine ship SS Golden Bear, steamed into port over the weekend it completed a mission of mercy trip to Europe. Aboard the vessel were Bruce (right) and Ted Johnston of San Carlos. Bruce was captain of cadets. The ship was loaded with more than 1000 tons of canned milk collected by the Junior Chambers of Commerce throughout California as a gift to the hungry children aboard. In the Redwood City area residents contributed more than five tons during the February drive.

Forum Letter

To the Editor:

We the people the registered voters of San Mateo County will be faced on June 1 with a decision that is in my opinion vital to each and everyone of us.

This will be Proposition No. 1 on our ballot. This proposition calls for a bonded indebtedness of $1,500,000 for construction of a tuberculosis hospital to be used for the hospitalization of tuberculosis patients, it requires a two-thirds majority to carry.

We as public minded citizens have shown in our recent school election that we are indeed interested in the education of our youth and have high regards to the integrity of the board of trustees and above all, the faculty of both our elementary schools and that of our Sequoia Union High School.

We the fathers and mothers of your student body have given you the tools and we know that you will in turn carry on so that our youth will receive the best that is possible in education. To the teachers we compliment you for your deeds and action and the splendid work that you have done over so many years; we at times have taken you for granted that we know you will forgive us.

Let us all then turn our attention to a condition that exists today throughout the whole of San Mateo County. Many of our citizens through no fault of theirs who being infected with tuberculosis are being treated at home because of the overcrowded condition at the Canyon Sanatorium.

Tuberculosis is a dreaded disease, knows no bonds, its bacilli infects the rich and poor alike, young and old, your own family physician will tell you that the patient must be isolated, complete rest is necessary for recovery.

We have in San Mateo County a good many private sanitariums and most of these private hospitals are today almost filled to capacity, even if there were room in them the greater majority of us could never be able to go there. The treatment of tuberculosis is an expensive one, not only would the family savings be wiped out in a very short period, but should the bread winner be struck down with this disease, the family hardships would increase tremendously.

This disease for many years baffled our medical profession, but today is being checked. Many people who have been so affected are well and healthy—these same people would have perished a generation ago.

To the medical science, to our family doctor, together with the San Mateo County Tuberculosis Assn. and to the nursing profession we indeed owe a depth of gratitude. Here again today we often take so much for granted.

So far we have shown that we the citizens of San Mateo County realize the importance of education. Let us then on June 1 pass by an overwhelming majority, Bond Proposition No. 1, then and only then can we give to our youth and ourselves the protection from this disease and if it should enter our home we will have, that peace of mind, knowing that treatment and expert care will be awaiting us.

A healthy body and a sound mind breeds a happy and a wholesome community. This in turn leads to a more abundant life for all its citizens and sets forth in the field of human relations understanding, cooperation and respect. For we of this generation must add to the foundation of our country that something that generations before us have so nobly accomplished.

To you, the youth of this community in whose veins run the life blood of these old pioneers, who through sweat and blood gave to us the freedoms that we Americans enjoy today, will in due time take your place as the leaders of a better tomorrow with the knowledge and understanding that you will acquire and with that unbounding faith and with the help of God that is in you will carry forever forward our American ideals, which have a unlimited horizon. For ever vigilant must you be for the protection and preservation of our American heritage, that heritage is sacred to all of us Americans.

PAUL I. De BENEDETTI

Las Lomitas To Open Bids

Trustees of the Las Lomitas Elementary School Dist. will open bids at 8 p.m. on Wednesday, June 16, for a three-room unit to be built at Las Lomitas School.

The unit will be of the same type of construction as a three room building built last spring and summer and opened for use in September. The building will be located northwest of present school buildings.

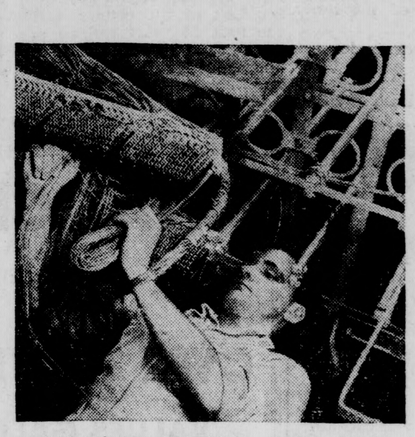
what it takes to handle

19 MILLION CALLS A DAY

1. Down the line come telephone instruments...your first link with an amazing system. They're sensitive and complex—but just a small part of the facilities required to connect your home with millions of others—and handle nineteen million calls a day. That's Pacific Telephone's present average. In 1940 it was 11,000,000 calls a day.



2. Intricate switching equipment like this must be practically custom made and installed before telephones can be used. You've probably never seen it...but it's on the job every time you make a call. And there's still more to the story. Land and buildings and other equipment must be provided — all of it's expensive.

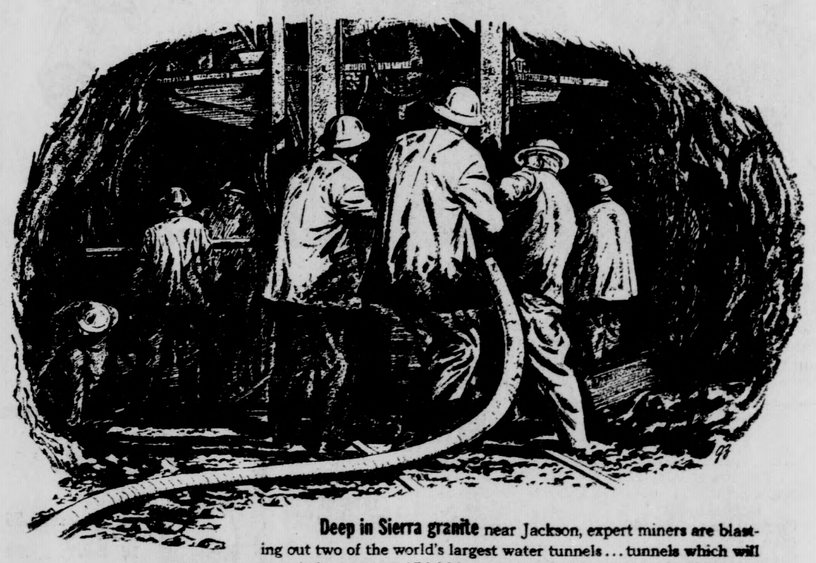
3. "Roadways of speech"... telephone lines and cables...have to be ready to carry the calls. There's nearly fourteen million miles of wire now at work in the West...and more is being added every day. Handling more calls than ever in our history keeps all our facilities mighty busy—along with the telephone people who man them.

4. Where does the money come from? Millions of new working dollars...needed to extend and improve service...must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This depends on the sale of our services at fair and adequate prices.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

Giant water tunnels 12 miles through granite will soon step up P. G. and E. power



Deep in Sierra granite near Jackson, expert miners are blasting out two of the world's largest water tunnels... tunnels which will soon help generate 154,000 new electrical horsepower for Northern and Central California. Already, in just a year's time, one of the tunnels—43,064 feet long—has been completed, and all but 3,000 feet of the second is finished. Completion date is early July.

200 feet a day has been average progress, and rivalry is high as crews at both ends of the remaining tunnel battle rock and time to beat each other. Special bonuses are paid for every foot over thirty; work goes on 'round the clock six days a week. The tunnels are 15½ feet high and 13 feet wide.

On the Mokelumne River below, the big new Electra powerhouse (one of two soon to be served by the tunnels) nears completion. Here, three big generators will soon be whirling out 133,000 electrical-horsepower . . . new power to help meet our greatest demand in history . . . new power to serve you better.

For the record
These tunnels are just a small part of the P.G.E. construction program
Actually nearly 2,000,000 electrical horsepower will be added... twice as much as was needed to serve all of pre-war Northern California
This is the biggest program of any electrical utility in America today...and we're going full speed ahead.

Work never stops on our power-building program

MARY LOU ESPOSITO of Redwood City, daughter of Mr. and Mrs. Ben Esposito gave her piano recital recently at the High School of Notre Dame in Belmont.

Redwood City BPWC Hears Musical Program at Meeting

Alice Reinhard presented a musical program, as the evening's chairman, at last night's monthly dinner meeting of the Redwood City Business and Professional Women's Club.

Mrs. Reinhard presented guest musicians, Yvonne and Hope, Tomasena, who sang individual numbers and a duet. As an addition to the program, the girls' mother, Mrs. Virginia Tomasena, sang a solo.

The program ended with community singing, with Dorothy Storm at the piano.

Helen Harper, president, announced that the next regular business meeting would be held on June 9 at 8 p.m. in the Redwood City Woman's clubhouse at 49 Clinton St. A board meeting will precede the regular meeting, at 7 p.m.

Mrs. Harper urged all members to attend this meeting, as the report on the state convention, which was held last week in Santa Cruz, will be read.

She also announced that Thelma Eberhardt of the local club, was honored by being elected state treasurer of the BPWC for the second consecutive time.

The club's next dinner meeting will be held on June 23 at the Three Owls Restaurant with Olive Kogelschatz as chairman.

Calendar Notices

FRI., MAY 28. Card party given by the Companions of the Forest, Foresters Hall at 8:20 p.m. Public invited. Score cards 35 cents. Ed Robertson, chairman.

TUES., JUNE 1. Card party given by Daughters of Union Veterans, Odd Fellows Hall on Main St. at 2 p.m. Public invited. Score cards 25 cents. Helen McElroy, chairman.

Shower Fetes Mrs. Ernest Canete

Mrs. Joseph Pardew of San Mateo was the hostess at a recent baby shower honoring Mrs. Ernest Canete and her newly born son, Robert Ernest Canete.

A color scheme of pink and blue was carried out in the decorations and gifts for the new baby were placed in a blue bassinet.

Robert Ernest was born on May 6 and weighed 4 pounds and 9 ounces at birth. He was brought home from the hospital earlier this week. Carla Ann Canete, aged 18 months, is the Canete's other child.

Mrs. Carrie Wentz of Redwood City is the baby's maternal grandmother and Mr. and Mrs. Ralph Canete of Redwood City are the paternal grandparents.

SC-Belmont Soroptimists Install Officers

Isobel Weber of Belmont accepted the charter and was installed as president, when the new San Carlos-Belmont Soroptimist Club held its charter presentation dinner recently at the Villa Chartier.

Other officers installed with Mrs. Weber were Maidie Schweickert, vice president; Beatrice Roberts of San Carlos, recording secretary; Rose Ross of Belmont, corresponding secretary; Elizabeth Liddy of San Carlos, treasurer; Jean McCosh of San Carlos, auditor; Florence Underwood of Belmont and Loueen Paulay of San Carlos, directors.

Seventeen different classifications of industry were represented by the charter members of the new American Federation of Soroptimists Clubs, according to the president.

Lavina Wollmer, president of the Burlingame-San Mateo Soroptimists, acted as toastmistress.

Miss Muriel Trewan and Mrs. Dorothy Burbick of San Carlos entertained at the piano.

Official welcomes were made by representatives of various organizations of the two towns.

Edward R. Burton of San Carlos and Bayley Kohlmeier of Belmont, mayors of the two towns, extended civic greetings.

Other representatives were G. Eddie Husted, president San Carlos Chamber of Commerce; John Waldier, San Carlos Lions Club; Dr. Dean Darius, San Carlos Kiwanians; Dr. James Grenwell, Rotary Club; Jack Biddulph, Belmont Lions; Mrs. A. Ray Dixon, San Carlos BPWC.

OLIVE BRANCH REBEKAH LODGE SEWING CLUB will meet tonight at 8 p.m. at the home of Kate Martin on Valparaiso Ave., in Menlo Park. Information may be obtained from Mrs. Martin at Palo Alto 4086.

PARKMAN PRAISED FOR HUMANITARIAN WORK IN LEGISLATURE

We Need Parkman at the State Capitol

Reelect State Senator Parkman at June 1 Primary

FIGHT FOR OLD AGE PENSION

LAUDED BY FRATERNAL LEADER

May 25, 1948

Honorable Harry L. Parkman,
Millbrae, Calif.

Dear Senator:

I take this opportunity as chairman of the Old Age and Social Security Committee of the Fraternal Order of Eagles, appearing before Legislative Committees, to thank you for your efforts on behalf of old age pension and other social legislation. Our organization is not unmindful of the services rendered by you in behalf of the aged people and other humanitarian laws.

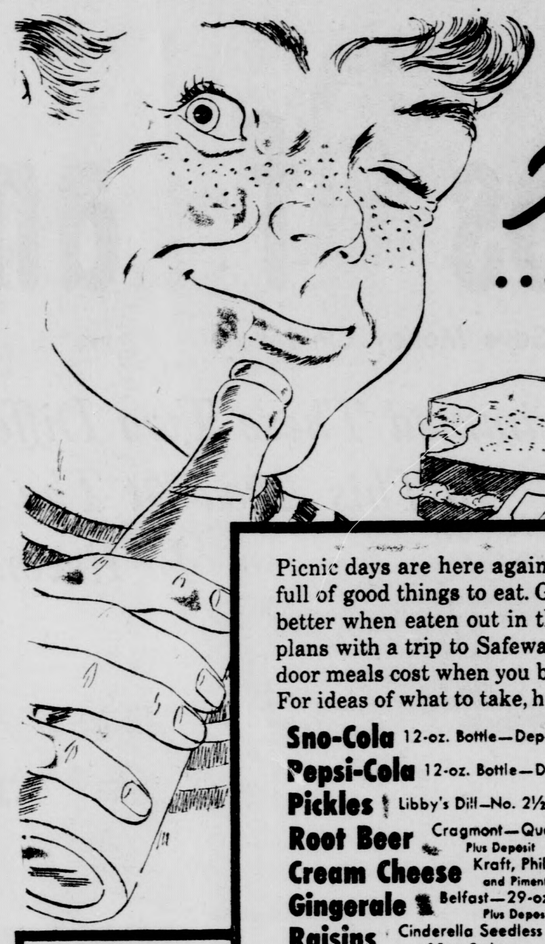
Our organization has interested itself in commending those who have performed public service, and more particularly those who have supported the Old Age Pension Act and its amendments, sponsored by the Fraternal Order of Eagles in the State of California. I assure you that our organization does commend you for your legislative support of the Old Age Pension Act and its amendments. The local Aeries in your district will make known to their members and the citizens of their community the humanitarian work- and service rendered by you in the legislature in aiding and strengthening the present Old Age Pension Act.

It is my hope that you may, through the medium of the press and through the members of our fraternity, as well as the voters of your district, secure the support to which you are entitled for your untiring efforts and services rendered on behalf of the old people of the State of California. You may rest assured that the Fraternal Order of Eagles is not unmindful of your recent support, and I am sure they recognize the service you have rendered.

With best wishes for your continued success, I remain,

Sincerely Yours,

WILLIAM B. HORNBLOWER, STATE CHAIRMAN,
OLD AGE AND SOCIAL SECURITY COMMITTEE, F.O.E.



It's Picnic Time!

. . . time to stock up on picnic needs at SAFEWAY

All Safeway Stores will be closed Monday, May 31st in observance of Memorial Day.

Picnic days are here again! Days to enjoy outdoors with baskets full of good things to eat. Good food just naturally seems to taste better when eaten out in the wide open spaces. Start your picnic plans with a trip to Safeway. Learn how much less these big outdoor meals cost when you buy everything at Safeway's low prices. For ideas of what to take, here's a check-list of picnic suggestions.

Bridges Draws Plans for West Coast Longshoremen Strike June 15

SAN FRANCISCO (AP)—Harry Bridges' CIO Longshore Union said today it was going ahead with Pacific Coast strike plans for June 15. Five other unions have threatened walk outs, which would tie up all coasts.

However, the government may invoke the Taft-Hartley Act's national emergency provisions to prevent a maritime strike from blocking aid shipments to Europe and the Far East, top officials in Washington said.

One leading administration labor adviser said in Washington the plan being considered is for President Truman to name a seven-man board to make a factual study of all issues involved in disputes raging on the Atlantic, Pacific and Gulf Coasts.

The six unions, five of them CIO and one independent, have contracts expiring June 15. All want wage boosts, the amounts so far unspecified.

But a major issue is the union hiring hall traditional on all coasts.

Bridges' ILWU and the Pacific Coast Waterfront Employers both conceded last night that conciliation of their contract dispute had collapsed The Waterfront Employers' Assn. said the chief issue blocking peace was the hiring hall.

The hiring hall dispatcher under the present setup is a union member. The WEA wants this changed; the union wants no change.

"The next time we will meet in negotiations will be after the men are out June 15," said an ILWU statement.

An employer announcement, however, said the controversy "appeared to be headed for a presidential board of inquiry" and a possible 80-day cooling off period.

Study These Photos Of Lamb Chops

(They Can Help You Save Money On Meat)

Chops Trimmed These Two Different Ways Were Bought In This Area At The Same Price Per Pound In Recent Test-Purchase Survey

TIP END OF CHINE BONE STILL ON EACH CHOP
(customer must pay full per-pound price for this piece of bone . . . even though no one can eat it!)

"TAIL" OF BONE AND EXCESS FAT STILL ON EACH CHOP
(sometimes this waste part is cut off or partially severed AFTER chops are weighed and charged for . . . which saves you exactly nothing!)

RIB LAMB CHOPS UNTRIMMED BEFORE WEIGHING

...as some markets here weigh them for pricing

DO MANY MARKETS HEREABOUTS still retail meat this old-fashioned way . . . *untrimmed BEFORE weighing*? Findings in recent survey by an independent research organization indicate you should CHECK YOUR MARKET! Women investigators bought chops at markets all over this area. They discovered that 97% of these markets (other than Safeway markets) DID *NOT* TRIM THE RIB LAMB CHOPS *BEFORE* WEIGHING. Some markets trimmed the chops AFTER weighing—but this after-weighing trim didn't save the customers from paying for chine bone tips and bony tail pieces. Have YOU been buying your meat this expensive way? If you can't get your market to trim BEFORE weighing, come to Safeway and get the money-savings modern meat-trimming offers you!

TIP END OF CHINE BONE REMOVED FROM EACH CHOP BEFORE WEIGHING
(so you don't pay for this piece of bone)

"TAIL" OF BONE AND EXCESS FAT REMOVED FROM EACH CHOP BEFORE WEIGHING
(this not only saves you money — it gives you tender-eating chops that *fit better* in the pan and on a platter!)

SAFEWAY TRIMMED-BEFORE-WEIGHING RIB LAMB CHOPS

...trimmed so you pay for only main "meaty" part of each chop

MONEY-SAVINGS OF 20¢ TO 36¢ per typical 6-chop purchase are secured by many housewives who purchase trimmed-before-weighing meats, the test-purchase survey reveals! In just a few weeks of meat-buying such savings can go a long way to cut down the high cost of living for your family. You are rightfully entitled to GET THESE SAVINGS . . . because every market should trim meats BEFORE WEIGHING. No longer do you need to buy rib lamb chops, for example, on somebody else's say-so. The chop photos printed here show you exactly what *kind* of trimming to look for. Take these photos to your market. Use them to check the next rib lamb chops you buy BEFORE your chops are put on the scales!

SAFEWAY'S OFFER: We will give you at no cost *DOUBLE* the number of rib lamb chops you buy if ever you get from us any rib lamb chops *NOT* trimmed before weighing! Just show the meat to the manager of the Safeway store where you bought it. We won't quibble or argue. *We want* you to have extra rib lamb chops without cost if we fail to trim as we say!

Safeway believes *all* markets should retail meat this common-sense way—with excess bone, fat and waste-parts trimmed off *before* the meat is weighed. More and more good markets are doing it. Why don't you ask *your* market man to trim your next rib lamb chops *before he weighs them?*

SAFEWAY trimmed-before-weighing chops include more of the kind of meat people want when they buy chops. NOT the bony tail piece — which isn't rightly part of a chop you expect to *eat and enjoy!* NOT the chine bone tip—which should be cut off and thrown away.

Most every good cook and good market man *knows* all chops should be trimmed as Safeway does it . . . *before weighing!*

The savings cited here on rib lamb chops are typical of the savings you make on every cut and kind of meat that's trimmed as Safeway does it—*before* weighing. You save on rib roasts and steaks, on leg of lamb and other cuts—when each cut is trimmed before weighing according to its special requirements. *Wherever* you buy, insist on pocketing for yourself the money-savings this better trimming method brings you.

Safeway buys nothing less than the top government grades of beef . . . nothing less than the top grades of lamb, pork and veal. All Safeway meats are properly aged—brought to you at peak perfection.

Try trimmed-before-weighing meats at Safeway. Note our DOUBLE OFFER ON CHOPS at left.

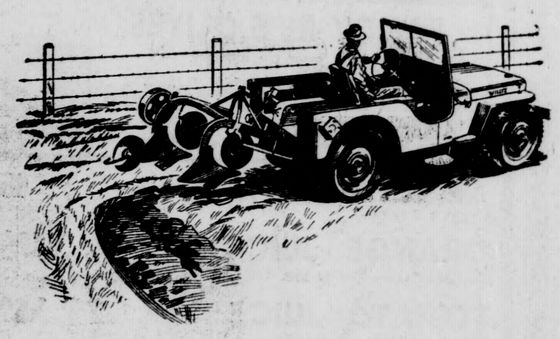
We Want to Show You What the Universal 'Jeep' with the Hydraulic Lift can do for you



● Phone us—write us—or drop in and tell us what day you would like to see the Universal "Jeep" demonstrated, without obligation, on your own farm.

We'll hook on your own implements and show you the pulling power of the 60 hp "Jeep" Engine and "Jeep" 4-wheel drive at tractor speeds of 2½ to 7 mph. We want you to haul or tow a load with the "Jeep" on any part of your farm.

You've read about all the jobs the postwar Universal "Jeep" will do. Now, see it and drive it yourself. When can we come out?

WITH POWER TAKE-OFF, the Universal "Jeep" develops up to 30 hp for belt work—operates feed and hammer mills, silo fillers and other equipment. See it work on your farm.
